Dear Roger:

I have just received your very excellent report on the labor situation on Cyprus FBIS construction job dated 8 September 1948. I have talked to [redacted] with reference to this report, and we consider it of sufficient importance to prepare as an OO/F report and disseminate to the various agencies. We both think that it is an outstanding presentation.

In addition to this being a very well prepared report, it certainly indicates to all of us here the highly commendable manner in which the CIA party on Cyprus has gone about its business. We are indeed most gratified that you have been able to keep this job on schedule under such conditions. Your report indicates sound judgment and good discretion with reference to security and publicity.

Please express my most sincere appreciation to Stutler and the other members of your staff who have done and are doing an outstanding job on this project.

Sincerely,

L. K. White
